

## Don't forget to Recycle

We have one of the most active Ink and Toner and cell phone recycling programs in the area !! All companies located in the area are invited to participate by simply dropping off your ink and toner cartridges or old cell phones on Wednesdays. You can also send an email to Secretary Bill Durham [wdurham@rtprotary.org](mailto:wdurham@rtprotary.org) or George Pauly who spearheads our collection effort: [george@ringllc.com](mailto:george@ringllc.com)
